	Загальна кількість цитувань	6279	5174	9834
	h-індекс робіт	39	36	50

Статті в таблиці розміщуються за спаданням кількості цитувань кожної роботи; h– індекс поданої роботи визначається за останнім порядковим номером роботи, в якому кількість цитувань перевищує або дорівнює порядковому номеру роботи в таблиці.
